History: Greenland Park was dedicated April 20, 1990. Funding for the project was allocated from the 1988 Neighborhood Park Improvement Bond Program for Council District 4. In 1991, a monumnet was dedicated in the park to Brandon O`Leary, a 13 year old MAA member who was killed earlier in the year. On January 25, 1995, the City of Jacksonville purchased an additional 16.5 acres from RM Williams to expand the Greenland Road Park site to its current 20.3 acres. In February 2003, the park received a new playscape, swing set and benches. In August of 2007 new renovations were completed to the Concession and Restroom Facility Building.
